- All of this ensures a high degree of environmental harmony combined with an optimum fence performance.

Part no.		Piece
12012	TURBOMAX AB165, 9V/165Ah (big housing)	1
14057	TURBOMAX AB150, 9V/150Ah (small housing)	1
15844	TURBOMAX AB120, 9V/120Ah (small housing)	1
15509	TURBOMAX AB75, 9V/75Ah (small housing)	1
15848	TURBOMAX AB55, 9V/55Ah (small housing)	1
15175B	6V/40Ah (PP8)	1

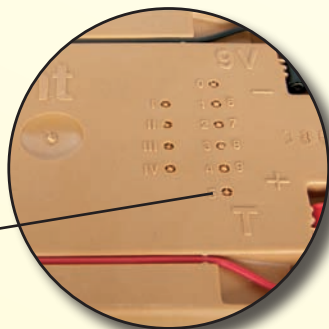

## Dry batteries, saline "RANGER SB"

- Cadmium and mercury free.
- Can be stored for about 2 years.

### Hint:

For guarantee - stamp-in the day of purchase !

Part no.		Piece
15535	RANGER SB130, 9V/130Ah (big housing)	1
15004	RANGER SB90, 9V/90Ah (big housing)	1
15034	RANGER SB55, 9V/55Ah (small housing)	1

## 7.5V dry battery 90Ah (round housing)

- Cadmium and mercury free.
- Can be stored for about 2 years.

Part no.		Piece
12001	7.5V/90Ah (round housing)	1

## 6V dry battery 7Ah

- Cadmium and mercury free.
- With high resilience and storage life when new.
- To be used in conjunction with hobbygard B (see p. 37) and for „equistop B“ as included in the horse kits (see p. 38).

Part no.		Piece
253968	6V/7Ah dry battery	1
